

WE'RE
OPEN

at YISHUN INNOVA JC

the day after the O-Level results release!

JOIN US AT YIJC!

From 10am to 5pm, the day after the O-Level results release

Want to know what it is like to be a YIJC student? Visit our campus the day after the O-Level results release! Our friendly student ambassadors will show you around and bring you to the various CCA and Subject Enquiry booths. We also have a range of programmes and activities so that you can have a taste of the YIJC experience!

2024 OPEN HOUSE

Performing Arts Showcase

10.15am to 11am

We Introduce Ourselves!

Want to know more about our College and what sets us apart? Attend a School Leaders' Presentation for an overview of our college and the two-year journey that you can experience in YIJC. Also allow our School Leaders to respond to your questions on how the college will tailor our programmes to meet your needs.

11am to 12pm

We Speak! Session 1 (featuring Science students)

12pm to 12.30pm

Interested to know more about the subjects, co-curricular activities, and programmes offered here? Attend Session 1 of We Speak! where our student ambassadors will share their YIJC learning experiences in the Science course. They will also bust some myths about subjects like Mathematics, Chemistry, Economics, Computing and others. Join the session if you want to know more about what it is like to be a student attending the Science course in YIJC!

Performing Arts Showcase

1pm to 1.45pm

We Speak! Session 2 (featuring Arts students)

2pm to 2.30pm

In Session 2 of We Speak! our student ambassadors from the Arts stream will share their learning experiences. Feel their passion as they speak about subjects like Literature, History, Geography, China Studies in English and others. Their contagious enthusiasm will open your hearts and minds to seeing for yourself why you should choose to be in the YIJC's Arts course!

We Introduce Ourselves!

This is a re-run of the 11am to 12pm 'We Introduce Ourselves!' session. Choose one of the sessions to attend based on your preferred timing!

3pm to 4pm

Performing Arts Showcase

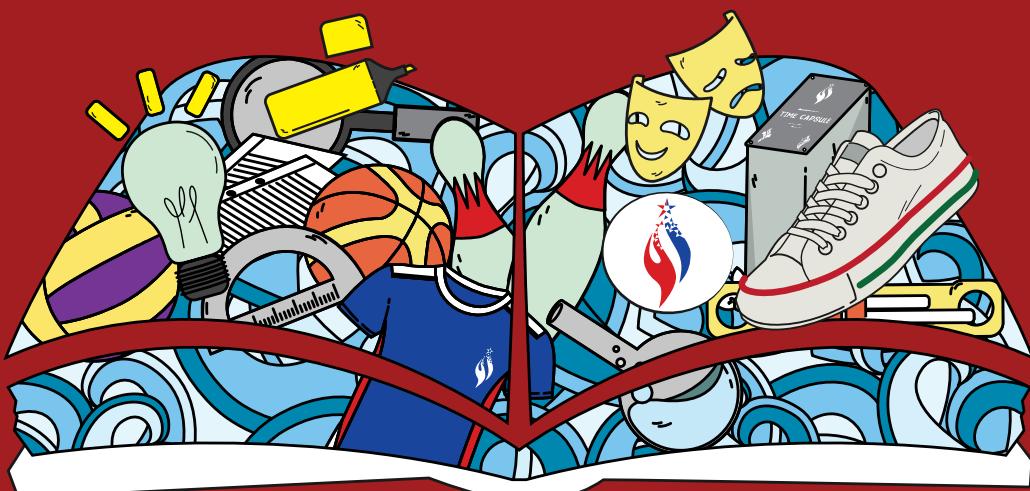

4pm to 4.45pm

You may also browse our college website. However, we will not be recording and uploading the above programmes. Visit us at 3 Yishun Ring Road S(768675) if you want to find out more!

At YIJC **OPEN** your mind to diverse learning experiences

YIJC offers you a diverse range of academic options to pursue subjects you are really passionate about.

On top of the usual academic subjects, we offer subjects like Art, China Studies in English, Computing and Tamil Language and Literature. We also offer the Malay Language Elective Programme for students who are interested in Malay Language and Literature. Our varied H3 programmes also allow you to further broaden your horizons and deepen your learning.

These are the subjects we offer:

	Content Subject	H1	H2
Mathematics & Sciences	Mathematics	✓	✓
	Computing	-	✓
	Chemistry	✓	✓
	Physics	✓	✓
	Biology	✓	✓
Arts & Humanities	Literature in English	✓	✓
	Economics	✓	✓
	Geography	✓	✓
	History	✓	✓
	China Studies in English	-	✓
	Art	✓	✓
	Chinese Language & Literature	-	✓
	Malay Language & Literature	-	✓
	Tamil Language & Literature	-	✓
Compulsory Subjects	Project Work (only in JC1)	-	-
	General Paper	✓	-
	Mother Tongue (students must offer H1 Mother Tongue unless they have obtained a minimum grade of D7 for Higher Mother Tongue at GCE O-Level)	✓	-

We also have supportive teachers who will open the doors of academic possibilities. With our various stretch and support programmes, our teachers provide a conducive environment for you to rise to your potential. Our teachers are also innovative and with flipped classrooms, team-based learning, ICT-infused pedagogies, and other academic possibilities, you can envision yourself as a self-regulated and agile learner with a critical and open mind!

At YIJC

OPEN

your heart to
our vibrant
co-curricular life

Discover your niche and pursue your passion with our broad range of Co-curricular Activities. Interested in sports? YIJC boasts a wide variety of Sports teams which include Tennis and Ultimate Frisbee. Passionate about the Arts? Consider joining the Musicians' Club, Art Club, as well as our Chinese Orchestra. With the Makers' Academy, Students' Council, Class Leaders' Council, and many more, you are spoilt for choice in your quest to scale new co-curricular heights.

Here is a full list of our 2024 CCAs for JC1s:

Sports & Games

Badminton, Basketball, Floorball, Football, Modular Sports, Netball, Tennis, Track & Field, Ultimate Frisbee, Volleyball

Performing Arts

Chinese Orchestra, Chorale, Dance, Musicians' Club, Symphonic Band

Clubs & Societies

Art Club, Class Leaders' Council, Interact Club, Makers' Academy, Outdoor Adventure Club, Students' Council, English Language Debate & Drama Society (ELDDS) & Strategy Club

We also offer a wide range of leadership opportunities. We hone your leadership and self-management competencies through practical assignments in our Leadership Development and Talent Development programmes. You can also expect to be mentored by teachers, seniors, and external partners as you reflect on your performance across leadership assignments and chart your progress upwards and onwards!

At YIJC **OPEN** **your future to limitless possibilities**

The world is your oyster! Immerse yourself in holistic development opportunities made possible by our extensive network of stakeholders, partners, and alumni.

Gain authentic work experience through the Work Attachment Programme. Not sure about what career to embark upon or what course to read in university? Future-proof yourself with our Education & Career Guidance programme that will allow you to fly high to survey your best opportunities.

Further boost your potential with our Internationalisation and Cross-Cultural Programme that heightens your awareness of local and global issues and augments cross-cultural skills. Expect to take part in learning journeys, Values In Action activities, and other cultural activities that will provide you a vantage point to look far beyond our shores and acquire capabilities for a transforming world.

Also, as the Centre of Excellence for Digital Literacies, you can expect to broaden your engagement with digital technologies to thrive in an increasingly tech-driven world.

Here at YIJC, we also believe that parents are the partners in the education of the child. We believe in empowering our parents to better support our students. With our range of Parent Education Webinars, we show you what is possible when all hands are on deck.
